

Hey, I'm **Zach Jordan**. Here, you can check out what I'm working on. I try my best to create things with ❤️

Featured Work

My Projects

I love to create things, and I'm always working on something new! You can view some of my favorite projects below.

Extras

An incomplete list of some videos and writings that I've made, covering a wide variety of topics. Check them out if you like!

Easy EMDR Blog

Writing about EMDR and mental health.

Youtube Channel

My disorganized playground of a Youtube channel :)

Bringing Animal Advocacy to Millions

A profile of an activist who reaches millions with a message for the kinder treatment of animals and our planet.

Fighting Global Trauma with Effective Altruism

Reflecting on our efforts to fight global trauma with effective altruism.

Easy EMDR is Joining the Fight Against Malaria!

A blog post about our commitment to donate 10% of all profits to help fight preventable diseases.

The Importance of Universal Empathy

Writing about the psychology behind disregarding others and the importance of recognizing this.

How Climate Change Harms the Most Marginalized Among Us

An article about climate change and its impact on already disadvantaged communities.

The Importance of Fossil Free Mac's Sit-In

Macalester has millions invested in Fossil Fuels — something that students have resisted.

Media

I try to create projects that address social problems. Here's some media that has been written about projects I've worked on.
